

Boy in the Striped Pajamas Trading Cards Project

Trading cards are often used to highlight the accomplishments of athletes. We will be creating trading cards for our novel study on *The Boy in the Striped Pajamas*.

Project Details:

- You must complete 5 trading cards relating to the characters from our novel. One MUST be Bruno and the one MUST be Shmuel. The remaining 3 cards will come from your choice.
- You will use the website <http://bighugelabs.com/deck.php> to create your card. You must save and download when it is finished.
- Each trading card must have a title, picture and 3 facts written as a complete sentence.
- Pictures will be drawn using the template provided. Your pictures need to resemble what you feel the character looks like based on information from the novel. I will help you scan in your image and crop them individually to allow you to upload them for your cards.

Characters to choose from:

Bruno

Shmuel

3 of your choice:

Gretel

Mother

Father

Maria

Pavel

Lt. Kotler

Each Card is graded as follows:

Title/Name – 2 points

Subtitle – 3 points

Minimum of 3 facts – 15 points

Picture – 2 points

Spelling/Punctuation – 3 points

A minimum of five trading cards is required for a total of 125 points to receive a 100.

Draw One character in each box below. Try to focus on the head and shoulder area and not the whole body.
