

## Timeline Project

You will create a timeline using [www.dipity.com](http://www.dipity.com) to show the important events that occurred during World War II and the Holocaust. The events you must look for are listed below.

You are responsible for:

1. Finding the date of the event – preferably month, day, year
2. Choose a picture that you feel best represents the event
3. Provide a 1-2 sentence description of the event.
4. When you have all of the events in your timeline you will embed the timeline into your Weebly time capsule.
